Beth -

We wanted to thank you for all you have done to make this trip so memorable for us. We couldn't have imagined a better trip - meeting both our sometimes conflicting "requirements."

The details - that was the best part - a step above any other vacation we have been on - You have an amazing gift at ensuring the details are not only taken care of - but exceed the highest expectation.

In the coming days we will send our feedback to future customers and clients that might enjoy this amazing island - her culture and people.

We are humbled and greatly appreciate of your help and coordination - Thanks again. You will be our new travel consultant and advisor - we are excited about our next adventure!
